**About Andhra Mahila Sabha Arts & Science College for Women (AMS ASCW)**

The Arts and Science College for Women of AMS was established five decades ago in Hyderabad by Padma vibhushan Dr. (Smt) Durgabai Deshmukh in 1968, celebrating its Golden Jubilee Year, affiliated to Osmania University. The college is functioning as an autonomous institution and is NAAC Accredited. Spread over an area of 4.11 acres the college is situated in the campus of Osmania University. With imposing buildings, extensive lecture halls, well equipped laboratories, Auditorium, Sports facilities, hostel accommodation, placement centre, livelihood centre etc., and the college attracts students from all over the state and few international students as well.

The college offers undergraduate and postgraduate courses, under aided and self-financial sections. It has a team of qualified, dedicated, committed and service-oriented teaching staff who put their whole hearted efforts for the integrated development of the students and the institution.

The Department of English is very active right from inception of the college. Many senior most lecturers served the Department and they normally take up the administrative work too. The Department is the back bone of the college rendering valuable services.

***Our Motto***

***BUILDING BETTER LIVES FOR WOMEN***

**About Anveshana Educational and Research Foundation (AERF)**

Anveshana is devoted to the dissemination of Scientific, Management and Technological information around the world and makes all efforts towards achieving this goal. It seeks to strengthen research and advanced education in these and allied fields. AERF encourages new ideas or new perspectives on existing research. It is a registered non-profit association for academicians and researchers in the field of Engineering, Electronic Communication, Modeling & Simulation, Manufacturing Technologies, Marketing, Accounting, Economics, History, Law, Behavioral Science, Information Science and a myriad of other fields. It is an international medium for the publication of articles of interest to researchers in education and has rapidly become a major focal point for the publication of educational research from throughout the world. It also conducts International Conferences, Management Development Programmers and other events to enhance knowledge, skills, and the personal development of participants.
