Thanks

As we believe in 'Quality is not an Act, it is a Habit' this space is not enough to thank one and all who have made Praveenya in the form of Newsletter possible. We treasure the wonderful support extended by the Chairman, Hon. Secretary & Correspondent and Principal.

Quarterly

Message from Principal

Quality is a continuous process, which works towards the promotion of integrated development of the students. As one more new academic year begins, I am happy that the college is taking up many activities such as new courses, social outreach programmes. This year as we have applied for the 3rd cycle NAAC reaccreditation. I appreciate my team for their work in preparing the SSR and getting ready for the Peer team visit. As a team we all are working to get 'A' Grade. I wish 'All the Best' for this academic year to the students and staff.

Dr. G.N. Bhagya Rekha, Principal, AMS ASCW

From Co-ordinator's Desk

True education is training of both the head and the heart. An uneducated thief may steal from the freight Car but an educated one may steal the entire rail road. We need to compete for knowledge and wisdom and not for grades. Knowledge is piling up facts, wisdom is simplifying it. One could have good grades and a degree and still not learn much. The most important thing one can learn is to "learn to learn". People confuse education with the ability to memorize facts. Educating the mind without morals creates a maniac in society.

The IQAC is channelising the efforts and measures of the institution towards academic excellence, quality enhancement and sustenance as envisaged by NAAC.

From this academic year one new programmes and 2 course combination have started : BA (EPJ), (MECs) and BBA, under Value Addition Certificate Courses we have started Yoga and Karate and under contribution to society we have upgraded our previous programme 'Fist Full of Rice' contribution form myside to "Helping Hands". The students contribute money and donate it to Old Age Homes or Orphanages run by an NGO *Rainbow Homes* near our College. The over all results are also good for this academic year.

As IQAC Co-ordinator I express my gratitude to all my friends teaching and nonteaching along with my dear students for their contribution in all our endeavours on quality improvement, and I wish them all success.

Dr. K. Karuna Devi, IQAC Co-ordinator

College Annual Day

Magazine (Srujana)
Released
(Annual Day)

College Annual Day was celebrated on 20th March 2018 at 10.30 am in the College Hostel Grounds. The Chief Guest to the function was Dr. M. Chetana, IPS, ACP, Sultan Bazar. The programme was presided over by Mr. Sethu Madhav Rao, Hon. Secretary & Correspondent of the College, the Guest of Honour was Ms. Sitarambai, Vice President, AMS. This was followed by cultural programme.

**Good things come to those who wait, but only those
things left by those who hustle. – Abraham Lincoln**

TWO DAY WORKSHOP ON VALUE EDUCATION

The Value Education Cell organised Two Day Workshop to teaching and non-teaching staff of the College.

The programme was presided by Prof. P. Ramaiah. Dr. G.N. Bhagya Rekha, Principal welcomed the guests and Ms. P. Sarada, Co-ordinator briefed about the programme. Prof. P. Srinivas, Hon. Secretary & Correspondent addressed the staff.

Lt. M. Madhava Rao, State Resource Person, Human Values and Mr. K. Giridhar, Technical Manager, TCS were guest speakers to the workshop.

The first session was on understanding the four levels of Human Values. The second was on Human being - Self, Body, Prosperity, Relationships. The third and fourth sessions were on 'Relationships', 'Justice in Relationship' and 'Society - Human Target, Family to World Family. The fifth session was about Nature and Existence.

All the topic and session were interactive and lot of discussions took place in the session. The same was followed on the 2nd day as well.

It was very useful workshop making the participants realise the innerself and the do's & don't.

Teaching Staff Human Values Programme

Non-Teaching Staff Human Values & Professional Ethics

KNOWLEDGE IS NOT POWER

We often are told that knowledge is power. Not really. Knowledge is information. It is potential power and it becomes power only when it is acted upon.

What is the difference between a person who cannot read and a person who can, but does not read? As Ben Franklin said, "Not a whole lot".

Learning is a lot like eating. It is not how much you eat that matters, what matters is how much you digest. Knowledge is potential power; Wisdom is real power. Education takes many forms; it is not just grades and a degree. It is :

- ❖ Cultivating your strength
- ❖ Learning Self-discipline
- ❖ Listening
- ❖ Eagerness to learn

Our minds are like muscles, stretch or shrink, it all depends on how much or how little we exercise them.

"If you think education is expensive, try ignorance."

- Derek Bok

The price of greatness is responsibility. – Winston Churchill
