It was decided that in the I year i.e. Sem I & II the syllabus will be as prescribed by TSCHE and OU. For the II year i.e. Sem III & IV and III year i.e., Sem V & VI for the batch 2019-20 we can make 20% to 30% change from parent university as per the NAAC requirements and also for the good practice of the institution. This is done with the instructions given by the Management in a meeting held on 06th August 2019.

Majority of the B.A students in our college are from MPC & Bi.P.C background. Without the basic knowledge of Economics it is difficult for them to follow. Hence it is decided to include two topics in Sem-I Module - I i.e, Utility & Demand as this will help them in better understanding of the subject. This is the addition to the prescribed syllabus.

In the Sem - II Module - I Social Accounting (double entry method) is included as this will give a complete information to the topic. Similarly in Module - III Milton Friedman's restatement of Quantity Theory is included.

Panel of paper setters is approved.
