Placement Cell

Andhra Mahila Sabha Arts & Sceicne College For The College not only imparts quality education but also ensures that the students secure suitable placements .The goal of Training & Placement Cell is to provide employment opportunities & training to students in leading organizations.

The placement cell coordinates well with the corporate sector and provides well-developed infrastructure to facilitate the various employability skill activities and campus selection programmes ensuring smooth functioning of the placement activities. The cell co-ordinates to train and prepare the students for placements, which is initiated with the various skill enhancement programmes with a motive to equip the students with the required Soft skills, Hard Skills and Life skills and making them fit for the prerequisites of the industry.

The placement cell offers:

A bridge between job providers and job seekers

Training on various skills such as resume writing, interviews skills, group discussions, confidence-building and corporate etiquette, among others

Guidance in career choices

Experience in human resource management and leadership, to student coordinators

Several prominent organizations visit us for campus placements, some of which are Deloitte, Dell, a, Wipro BPO & ITk, Genpact Voice Based, Genpact Finance,,Sutherland , Specialist Diagnostics HGS.

WOMEN CELL

Our college women cell is concentrating on creating awareness among young girl students on various aspects and facets of young girl's lives. Apart from giving counseling to students our lecturers are taking much interest towards their overall development. Our college through women cell is focusing on several activities like debates elocutions on violence against women, women's rights and opportunities. law and justice for women is being taught for first year students under add-on course category.

Population Education Cell

According to UNESCO, "Population Education is an educational Programme which provides for a study of population situation of the family, community, nation and world with the purpose of developing in the students rational and responsible attitudes and behavior towards that situation".

A need should be there for imparting factual knowledge about population dynamics so that the younger generation must understand the burden imposed by rapid population growth.

Objectives: Creates awareness among young students about the need for

1. Improving the 'quality of Life'
2. Spread the message of the National Population Policy
3. To enable the students to understand that family size is controlled.
4. Population limitation can facilitate the development of a higher quality of life in the nation
5. That a small family size can contribute materially to the quality of living for the individual family.
6. To enable the students to appreciate the fact that for preserving the health and welfare of the members of the family and to ensure good prospects for the younger generation, the Indian families of today and tomorrow should be small and compact
7. To give accurate information to the students about the effect of changes in family size and in National population on the individual.

Younger Generation problem: The growing population is usually a problem relating to younger population. Almost half of the population of our country is less than 16 years of age. This young population requires a proportionately larger outlay for supporting the social services needed for it, like education, health, transport, housing and other facilities. It is impossible for a developing country for providing all these amenities in requisite adequacy.

Population Educational is an exploration of acknowledge and attitudes about population, family living, reproduction, education and basic value. It means educating the students about large population or ever – increasing population.

The Department of Economics celebrated the world population Day on 11th July 2017. BA students presented papers, prepared charts on population statistics and explained them to the students in other classes. They also explained the concept of population explosion, causes for high population growth rates, government policies etc.. to the students and teachers present in the respective classrooms. The theme of 2017 World Population Day is Birth Spacing "Empowering People and Developing Nations"

The Population Education Cell explains to the student's cause and effect relationship, so as to enable them to make rational decisions on their own behavior on Population matters.

ENTREPRENEURSHIP DEVELOPMENT CELL

The UGC has sanctioned & allocated a grant of Rs. 7 lakhs for the college for strengthening of Add-on-Course under the scheme of carrier oriented course (Entrepreneurship Development) in the form of one time grant, for 5 yrs from the academic year 2015.

The objective of the programme is to encourage students for activities associated with entrepreneurship. The course will help in having the qualities that are needed to succeed as an entrepreneur.

This course will yield many women entrepreneurs and also in generating employment opportunities for others. It can also create gainful self-employment, students after successfully completing the course are able to take up job work and the main objective is "EARN WHILE YOU LEARN". This course awakens and motivates students for establishing their own business with different idea.

Department of Commerce offering Add-on- Course for B.Com/B.sc/B.A Ist year. This course (COC) Introduced in the academic year 2015-16. Two guest lecturers were conducted in each semester.

The duration of the study for COC should be for 12 months consisting of 2 semesters for 5 yrs . each semester shall comprise of 30 hrs of instructions. 2 internals (best of 2)and theory exams will be conducted. The internal exa is conducted for 10 marks, external/sem end exam for 40 marks.

In the year 2015-2016 - 63 students are benefited, 2016-2017 – 64 students are benefited 2017-2018 – 55 students are benefited

EDP Lab was inaugurated on 16th March,2017 by Chief Guest Sri.S. Ramana Kumar, Entrepreneur Corporate Trainer In Room no. 30.

Honorable Correspondent and Principal gave importance of women Entrepreneur.

ANTI-RAGGING COMMITTEE

Aim and Objective of the Committee

As per Government initiative to prohibit "Ragging" in the Educational Institutions of all levels and hostels, the college has constituted Anti-Ragging Committee and started functioning since 2008-2009 with primary objective to prohibit ragging in the campus thus assuring a "Ragging Free Zone".

To prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing or ill-treating fresher or any other student, or indulging in undisciplined activities by any student or students thereby affecting the psychological nature of the fellow students (new comers) and hence making them suffer physically, mentally and psychologically.

As a combat, the institution firmly emphasizes in instilling values through value education classes, arranges orientation programmes at the beginning of each academic year; timely counselling sessions organized by the class in-charges and sensitizing role plays for creating awareness by the student council members, which all cumulatively make constant effort in monitoring which is extended in making the campus and hostel vicinity a serene place, thereby contributing to the holistic development of the students.

Grievance Redressal Cell

Aim

The aim of the Student Grievance Policy is to provide a channel that enable student concerns to be addressed quickly, without fear of reprisal pertaining to the source of the concern as practicable. The Student grievance committee is committed to developing and maintaining an effective, timely, fair and equitable grievance handling system which is easily accessible to all complainants.

Objectives

- 1 To develop an organizational framework to resolve grievances of the students and other stakeholders*
- 2 To enlighten the students on their duties and responsibilities to access benefits*
- 3 To ensure effective solution to the students grievances*
- 4 To investigate the reason of dissatisfaction.*
- 5 To obtain where possible a speedy resolution to the problem*
