G. Hima Bindu is currently working as an Assistant Professor in the Department of Economics. She earned her Master's degree in Economics (MA) from Koti Women's College, Osmania University. She completed her Bachelor's degree with a specialization in History, Economics, and Political Science (BA[HEP]) from Wesley Degree College in Secunderabad. Additionally, she completed her B.Ed from Gandhian College of Education. She holds a Post Graduate Diploma in Human Resource Management from Hyderabad Central University (PGDBM-HR) and a PGDCA from SETWIN. She has successfully qualified for TS-SET, TET, and CTET exams.

Since 2014, she has been working as a Lecturer of Economics at AMSASCW, Hyderabad. Her deep subject knowledge and effective teaching skills enable her to communicate well with students. This skill has proven beneficial in assisting students who face difficulties, whether due to language barriers or a lack of understanding of the subject. Her dedication is reflected in the improved academic results of both undergraduate and postgraduate students.

In addition to her teaching responsibilities, she has made significant contributions to various administrative activities. She has served as an Additional Controller of Examinations and is an active member of several committees, including CVW, Population Cell, Anti-Ragging Cell, Dost Admissions, Criteria Work, SSR, Placement Cell, and Convocation committees. She also serves as a Class Counselor and a Student Advisor in the Cultural Club. Furthermore, she has organized Social Sciences Seminars and hosted numerous seminars. She is also involved in P.G. evaluations.

Before her current position, she worked as a Junior College Lecturer at Andhra Mahila Sabha Junior College in Hyderabad. She also gained experience in the corporate sector, working in a domestic call center at Reliance in Mumbai and later as an HR professional at Relish Infotech

Pvt. Ltd. in Tarnaka, Secunderabad. She has further worked in Mercury Pvt. Ltd. and Srimatha Cyber Tech, both multinational BPO companies and U.S.-based call centers.

She has made notable contributions to academic research and has published papers in National and UGC-sponsored journals such as "Desh Vikas" and "Mahila Pratistha." She has also participated in numerous workshops and national & international seminars.
