Subject: Join Us in Planting Medicinal Plants Seedlings for World Environment Day - June 5, 2018

Dear Staff and Students,

As advocates for environmental sustainability and guardians of our planet, we are thrilled to announce our participation in celebrating World Environment Day on June 5, 2018. This year, we have decided to commemorate this significant occasion by planting seedlings of medicinal plants, aligning with the theme of promoting biodiversity and environmental health.

World Environment Day serves as a global platform for raising awareness and taking action on pressing environmental issues. By planting medicinal plants seedlings, we not only contribute to the preservation of biodiversity but also promote the importance of natural remedies and traditional healing practices.

We invite all staff and students to join us in this meaningful endeavor. Your participation is vital in creating a greener and healthier environment for present and future generations.

Date: June 5, 2018, Time: 11.00 am Venue: Botanical Garden

Subject: Join Us for "TelanganakuHarithahaaram - 2018" Plantation Drive and Rally on August 16, 2018

Dear Staff and Students,

We are excited to announce our participation in the "TelanganakuHarithahaaram - 2019" initiative, a statewide plantation drive aimed at promoting a greener and healthier environment for all. As a responsible institution, we believe in actively contributing to environmental conservation efforts, and this event presents an excellent opportunity for us to make a meaningful impact.

We urge all staff and students to join us in this noble cause by actively participating in the plantation drive and rally. Your involvement not only contributes to a healthier ecosystem but also fosters a sense of responsibility towards our planet.

Date: August 16, 2018 Time: 11.00 am

Venue: Botanical Garden and College Campus

Subject: Eco-Friendly Ganesh Idol Sale

Dear Students,

We are delighted to inform you that in connection with the upcoming festival of Ganesh Chaturdhi, our College has taken an initiative to promote environmental consciousness by organizing the sale of eco-friendly Ganesh idols. This initiative aims to raise awareness about the importance of using clay Ganesh idols to make our environment pollution-free.

The sale of these eco-friendly Ganesh idols will take place on 12-9-2018 providing an opportunity for our school community and beyond to purchase these environmentally sustainable alternatives for their celebrations.

We encourage all students, teachers, and parents to participate in this noble cause by supporting the sale of these eco-friendly Ganesh idols. Let us come together to celebrate Ganesh Chaturdhi in a manner that respects our environment and promotes sustainability.
