Subject: Awareness Program on Using Clay Ganesh Idols

Dear Students and Faculty,

We are delighted to announce that the Eco Club, Department of Botany, has initiated an awareness program aimed at promoting the use of Clay Ganesh Idols to protect the environment. This program comes as a response to the growing concern over the environmental impact of Plaster of Paris (PoP) idols during festive celebrations.

We encourage all students and faculty members to actively engage with this initiative by sharing the awareness video and promoting the use of Clay Ganesh Idols in their communities. Let us come together to celebrate festivals in a manner that respects and preserves our environment for future generations.

The details of the awareness program are as follows:

Date: 10th September 2021

Time: 11.00 am Venue: College Campus

Subject: Telangana Ku Haritha Haram Programme

Dear Students and Faculty,

We are pleased to inform you that the Eco-Club, Department of Botany, organized the "Telangana Ku Haritha Haram" programme on 9th September 2021. This initiative aims to promote afforestation and greenery in and around our college campus as part of the larger statewide effort to increase green cover and combat climate change. . Hence all the students are instructed to participate without fail and make the programme success with your kind cooperation.
