**Collaboration with Sister Institutions:**

In addition to the courses offered internally, our institution collaborated with sister institutions to offer certificate courses. (AMS Literacy House & AMS college of Fine Arts and Media Education)

A total of 32 certificate courses were provided through this collaboration.

While not all courses may have been opted for by your institution's students, some were selected and completed by them.

Upon completion of these courses, students received certificates from the respective sister institutions.

Overall, your institution has demonstrated a commitment to providing students with a wide range of certificate courses, spanning interdisciplinary subjects, department-specific topics, and offerings in collaboration with external institutions. This approach not only enriches students' learning experiences but also prepares them with practical skills and knowledge relevant to their academic and professional pursuits.
