**5.1.2: Efforts taken by the institution to provide career counselling including e-counselling and guidance for competitive examinations during the last five years.**

Andhra Mahila Sabha Arts & Science College for Women is committed to providing comprehensive career counselling and guidance to its students, including e-counselling and preparation for competitive examinations. Over the past five years, the institution has undertaken various initiatives to equip students with the necessary skills and knowledge to pursue successful careers. Here's an overview of the efforts taken by the college:

**Career Counselling Cell:** The college has established a dedicated Career Counselling Cell, overseen by a senior faculty member as Convener. It aims at assisting students in choosing the right career path. For instance we have collaborations with United Way of Hyderabad ,Magic Bus,4AT Academy in giving training to the students .

**Preparation for Competitive Examinations:** The Centre for Competitive Examinations, housed within the Skill Development Centre, offers coaching for various competitive examinations such as Civil services, TPSC, Bank PO, SSC, PG CET .Banking Services, Corporate Recruitment Training, Basics Mathematical Skills are provided from our sister institute AMS Literacy House .

**Seminars and Workshops:** The college conducts seminars and workshops on Personality Development, Placement Training, and Career Guidance regularly to prepare students for upcoming placement drives through Arithmetic & Reasoning Training Programme from Web Technology and IT Curve. Seminar like Technological Innovations in Biological Sciences from Southern Labs and Helius Pathology Labs were organised .

**Motivational Seminars:** Seminars on Career Guidance and Road Map for Competitive Exams are organized to motivate students to take competitive exams seriously. These seminars aim to raise awareness about various competitive exams such as UPSC, SSC, Banking Sector, Railways, and State Government Exams.

**Civil Services Preparation:** Special seminars and mock tests are conducted to prepare students for Civil Services exams. These sessions cover the exam pattern, syllabi, and success strategies, providing students with valuable insights and guidance. Shri .D.Chakrapani Retd IAS and our present Chairman and Shri Sudakarudhu Retd Bank Manager guide our students in Civil Services and Banking Service examination Preparations

**Digital Marketing Workshop:** Workshops are conducted to create awareness in Digital Marketing highlight the scope and recent trends like ONDC , enabling students to explore career opportunities in this field.
