❖ Policy Documents/Decisions Circulated for Implementation

GREEN CAMPUS INITIATIVES

The institution has systematically planned every procedure for maintaining the Campus green. Special committee is assigned for developing the infrastructure of organization. Well-coordinated efforts taken for the development of as a part of social responsibility, maintaining eco-friendly environment our prime duty.

1. Eco-friendly environment is maintained by planting trees and avoiding the use of plastic in day-to-day life
2. Ample of trees, plants and attractive vines in the institution decorate the corridors, passages and porch and provide the rich source of oxygen.
3. A dedicated staff is appointed to take care of the plants, trees and vines in the campus. The use of organic fertilizers for growing the trees is promoted.
4. The awareness programs like tree plantation campaign, cleanliness campaigns are held to encourage and to lead eco-friendly life and make the environment clean.
5. Special programs are organized to promote the use of bicycle, public transport, in order to control pollution.
6. The institution organized some strategies to set and achieve paperless goals. The Institution insists to minimize the use of papers for office purposes as by reducing excessive use of printing, remove extra printers and request paperless statements. The institution supports for organizing digital documents, using e-mails, social networking sites like whatsapp for everyday notices and communication
7. The institution is maintaining Biometric for the daily attendance of the Teaching, Non-Teaching staff & Students. The institution has promoted paperless environment by developing some windows-based applications for the conduction of online examinations during pandemic.

❖ **Policy Documents/Decisions Circulated for Implementation of Ban on Plastic**

The institution has systematically planned every procedure for maintaining its campus 'plastic-free' and shall strive to make the green campus systematically banning use of plastics and replacing the same with suitable environment friendly substitutes.

1. Ban use of single-use plastics in the institution's premises and hostels, etc.
2. Carry out awareness drives and sensitization Lecturers on the harmful impacts of single use plastics.
3. Mandate all students to avoid bringing non-bio-degradable plastic items to the institution.
4. Encourage the students to sensitize their respective households about harmful effects of plastics and make their households 'plastic free"
5. Install necessary alternative facilities like water units to avoid the use of plastic water bottles, and encourage use of alternative solutions like cloth bags, paper bags etc., instead of plastic bottles, bags, covers and other goods on campus.
