During our recent meeting, it was noted that there were a total of **20** grievances, all pertaining to revaluation. Each of these grievances represents a student's concern regarding the evaluation process and the subsequent revaluation procedure. As per the established protocols, our committee has thoroughly reviewed each grievance and discussed possible resolutions.

It is our collective responsibility to address these concerns promptly and transparently. Our committee is committed to upholding the highest standards of academic excellence while also fostering an environment of trust and support for our students. This review will include assessing the clarity of evaluation criteria, the consistency of grading, and the effectiveness of the revaluation mechanism.
