

# Annual Report 2021-2022

The activities and events for the academic years 2021-2022 at a college that offers undergraduate and postgraduate programs. Here's a summary of the major activities from both years:

This report highlights the key events, activities, and achievements at the college over the academic years 2021-2022. The college, offering undergraduate (UG) and postgraduate (PG) programs, has witnessed significant academic growth and conducted numerous events that enriched the students' overall learning experience.

## 1. Departmental Activities and Webinars

- **31st May 2021:**

The Department of Commerce conducted a webinar on "Agricultural Costing" from 3 PM to 5 PM. This session provided students with a detailed understanding of agricultural costing, a crucial aspect of agribusiness.

- **17th June 2021:**

The Department of Commerce organized a webinar in collaboration with the Bombay Stock Exchange (BSE), Mumbai, at 12:30 PM. This event aimed at enhancing students' knowledge of stock market operations and financial management.

- **8th February 2022:**

A guest lecture on "Fundamentals of Cost Accounting, Principles, and Techniques" was organized by the Department of Commerce in MV Hall. The session covered essential concepts in cost accounting, offering students practical insights into the subject.

- **11th February 2022:**

The Department of Economics, Commerce & Management conducted a blended-mode seminar on "The Union Budget 2022-2023" at 2 PM. The seminar gave students an opportunity to analyze and understand the latest budgetary policies and their implications on the economy.

- **15th February 2022:**

The Department of Business Management hosted an industrial training program aimed at developing the employability skills of students. Led by Mr. Jaywant (CA and

member of Hyderabad Management Association), the program was attended by 65 students. The training focused on practical business skills crucial for students' professional careers.

- **15th February 2022:**

A 10-day communication and soft skills certification program was organized by the Department of Commerce and Management, in collaboration with MSME Hyderabad, under the SC/ST Hub initiative. The program provided free training, with three days conducted on the college premises and seven days at NIMSME Hyderabad. This initiative was aimed at empowering students with essential communication skills needed for career advancement.

- **15th February 2022:**

In collaboration with Sunshine Academy, the college organized a "Tree Plantation Programme" on the campus. The initiative was part of the institution's commitment to environmental sustainability.

- **11th May 2022:**

The Department of Commerce initiated a Faculty Development Program (FDP) focusing on forecasting and predictive analysis. The session was conducted by Mr. Swapnil Saurav, Manager of Problem Management at ServiceNow, who provided insights into modern forecasting techniques.

## **2. Key College Celebrations and Events**

- **2nd June 2021:**

Telangana Formation Day was celebrated with active participation from staff and students. The event reflected the college's commitment to local cultural heritage.

- **15th August 2021:**

Independence Day was celebrated with flag hoisting, patriotic performances, and speeches to mark the occasion of national pride.

- **23rd October 2021:**

An orientation program was held for first-year students, welcoming them to the college and introducing them to the academic and extracurricular activities available.

- **26th January 2022:**

The 73rd Republic Day was celebrated with a ceremonial flag hoisting and cultural programs, showcasing the patriotic spirit of the college.

- **8th March 2022:**

International Women's Day was celebrated with events focusing on women's empowerment and gender equality, featuring talks and activities that encouraged dialogue on these important issues.

- **5th June 2022:**

Environment Day was marked by eco-club activities and awareness programs on environmental conservation, emphasizing the importance of sustainability.

- **20th June 2022:**

International Yoga Day was celebrated, with 50 students participating in yoga sessions organized in collaboration with the Department of Physical Education.

### **3. NSS and Social Activities**

- **14th May 2022:**

The Osmania University NSS Cell organized the 8th International Day of Yoga at the Landscape Gardens, Osmania University. Twelve students from the college, along with Dr. K. Kiranmai, participated in the event.

- **6th June 2022:**

A Just-A-Minute (JAM) session on environmental issues was held as part of Environment Day celebrations. Twenty volunteers participated, and plant saplings were awarded to the best presenters as a symbol of environmental awareness.

### **4. Notable Achievements**

- **24th July 2021:**

Dr. K. Jhansi Rani was honored with the prestigious "Best Director of the Year" award, recognizing her leadership and contributions to the institution's success.

- **11th May 2022:**

The college inaugurated a digital display board, enhancing the institution's communication infrastructure and modernizing the way important information is disseminated to students and staff.

### **5. Special Activities**

- Several field visits were conducted for students of Botany, Chemistry, and Commerce, providing them with practical exposure and real-world experiences in their respective fields.
- The college also held career guidance and mock interview sessions, aimed at preparing students for the job market. These sessions offered valuable tips and strategies for effective interviews and career planning.
- Numerous guest lectures and Faculty Development Programs (FDPs) were organized throughout the academic years, ensuring that both faculty and students stayed updated with the latest developments in their disciplines.

## **6. Academic Details**

- The college offered **10 Undergraduate (UG)** courses and **4 Postgraduate (PG)** courses during these academic years.
- **646 students** enrolled in UG programs, with a total intake capacity of 870 students. Additionally, **90 students** joined PG programs, with an intake capacity of 150.

The academic years 2021-2022 were marked by significant achievements, activities, and initiatives at the college. From webinars, guest lectures, and industrial training programs to eco-friendly activities and yoga sessions, the college maintained a balanced focus on academic excellence and holistic development. The active participation of students in various events and their exposure to real-world knowledge and skills through seminars, FDPs, and field visits highlight the college's dedication to fostering a learning environment that supports both intellectual and personal growth.
