Note: 1) Earlier (As per old almanac) we decided to conduct semester end examinations for III & V Semester from 20th January in offline mode. But due to spread of corona we didn't conduct the above stated examinations as per schedule and Postponed indefinitely. In order to save working days we decided to conduct classes for IV & VI Semester from 17th January 2022. Now there is an improvement in the situation we decided to go for semester end examination from 3rd March 2022 for III & V Semesters.

2) Since last two years, pandemic of Covid-19 has derailed the academic years and to save the interest of students 2 hours of extra classes should be taken to condense the mandatory teaching days(90days) required for completion of the courses.
