28.11.2018

To,
The Coordinator
Research, Training and Consultancy Cell
AMS ASCW
O U Campus, Vidya Nagar
Hyderabad
Telangana State

Respected Mam,

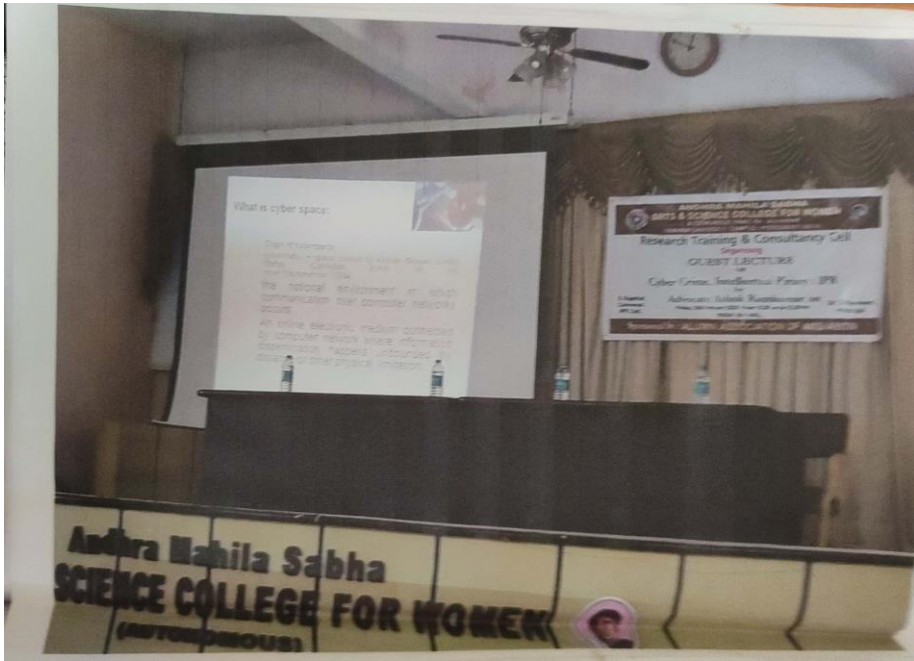

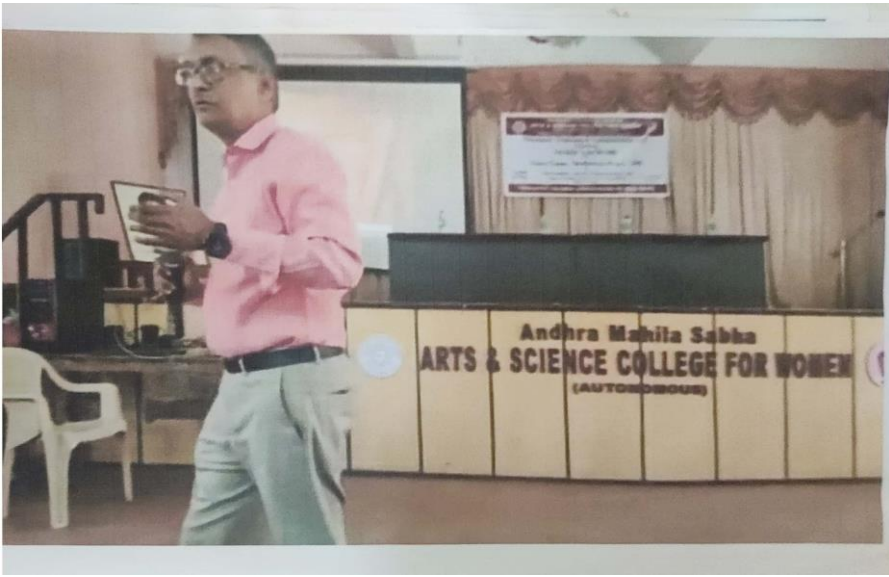

Sub: Request to support for my research in Chemistry in abroad – Offer letter enclosed – Request – Regarding

I Dr.K.B Shanthi Sudha, Associate Professor, Dept . of Chemistry, AMS Arts & Science College for Women, O U Campus, Hyderabad, happy to inform you that I am encouraged to learn research in Chemistry by the Dept. of Chemistry, THE UNIVERSITY OF QUEENSLAND, AUSTRALIA to work in the group of Prof.Yusuke Yamuchi, Senior group leader of Australian Institute of Bio Engineering and Nanotechnology (AIBN), The University of Queensland, Australia, offered as a visiting researcher for a period of 01yr.

Hence I expect support from our Research, Training and Consultancy Cell which can promote my research abilities and also I can contribute my research skills to encourage the women students to build their career strong in scientific field.

Thanking You,

Yours sincerely
Dr.K.B.Shanthi Sudha,
Dept. of Chemistry
AMS ASCW

Research Training and Consultancy Cell organized guest lecture on Cyber Crime, Intellectual piracy by Advocate Ashok RamKumar on Febraury 29, 2020 here at MV Hall.

He spoke at length about the cyber crime especially on the youth, who are facing lot of problems through social media by hacking, phishing and wrong

emails etc. He asked the youth to be extra cautioned while using mobile smart phone or at net café, He had interacted with the students and suggested not to succumb to the gullible elements.

More than 200 students belonging to Journalism, Management and other fields participated in the interactive session and cleared their doubts through queries.

Initially RTCC Convenor Mrs S.Sujatha, welcomed the guest faculty and introduced him to the audience.
