Report on NSS Units Charity Walk for HIV/AIDS Awareness

Date: December 1, 2020

Event Organizers: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Location: Vidyanagar, Shivam, DD Colony, O.U. Campus

Number of Participants: 67

On December 1, 2020, the NSS Units of Andhra Mahila Sabha Arts and Science College for Women organized a Charity Walk aimed at raising funds and awareness for HIV/AIDS-related issues. The event took place in the locality of Vidyanagar, Shivam, DD Colony, and the O.U. Campus. The initiative was part of the observance of World AIDS Day, which falls on December 1st annually.

The primary objective of the Charity Walk was to raise funds for supporting initiatives related to HIV/AIDS awareness, prevention, and support services. Additionally, the event aimed to raise awareness about the importance of HIV/AIDS prevention, testing, and destigmatization within the local community.

Event Details:

The Charity Walk commenced at [Starting Point], with participants gathering early in the morning to register and prepare for the walk. The route of the walk covered key areas within the localities of Vidyanagar, Shivam, DD Colony, and the O.U. Campus, ensuring maximum visibility and participation from community members and students.

Participants included NSS volunteers from Andhra Mahila Sabha Arts and Science College for Women, faculty members, students, local residents, and representatives from partnering organizations and NGOs working in the field of HIV/AIDS awareness and support.

The walk was marked by enthusiastic participation, with participants carrying banners, placards, and posters advocating for HIV/AIDS awareness, prevention, and support. Volunteers engaged with onlookers and passersby, distributing informational pamphlets and engaging in discussions to dispel myths and misconceptions surrounding HIV/AIDS.

Throughout the Charity Walk, volunteers actively solicited donations from participants and bystanders to contribute to the fundraising efforts. Donation boxes were stationed at strategic points along the route, and volunteers provided information about how the funds would be utilized to support HIV/AIDS-related initiatives.

The Charity Walk organized by the NSS Units of Andhra Mahila Sabha Arts and Science College for Women was a resounding success, with a significant turnout of participants and widespread community engagement. The event not only raised crucial funds for supporting HIV/AIDS-related causes but also succeeded in raising awareness and fostering dialogue within the local community.

The NSS Units extend their heartfelt gratitude to all participants, volunteers, donors, and supporters who contributed to the success of the event. Moving forward, the NSS Units remain committed to continuing their efforts in addressing HIV/AIDS-related issues and promoting community health and well-being.

Together, Let's Fight Menstrual Poverty

Keep Menstrual Hygiene right, to make your future bright!

- We engage with communities, schools, and policymakers to make them aware that girls in menstruation need access to information, appropriate services, and affordable products.
- We provide information about menstrual health. So that the discussion about menstruation can be conducted with openness, which leads to less stigmatization and better menstrual health.
- We open for donations and reach out to shelters to give to those in need.

' Participation in Awareness Talk on Menstrual Poverty

Date: November 19, 2020

Venue: Andhra Mahila Saba Intermediate College

Organized by: NSS Units of Andhra Mahila Saba Arts and Science College for Women

Number of Participants: 11

On November 19, 2020, the NSS Units of Andhra Mahila Saba Arts and Science College for Women organized an awareness talk on menstrual poverty at Andhra Mahila Saba Intermediate College. The event aimed to educate students about menstrual poverty and its impact on women's health and well-being.

Event Details:

The awareness talk commenced at [insert time] and was held in **Andhra Mahila Saba Intermediate College**. The session began with a welcome address by [insert name], the coordinator of NSS Units. [Insert name] provided an overview of the importance of addressing menstrual poverty and its implications for women's empowerment and health.

Key Highlights:

Understanding Menstrual Poverty: The session delved into the concept of menstrual poverty, discussing its causes, manifestations, and impact on women's lives. Participants gained insights into the challenges faced by women and girls in accessing menstrual hygiene products, adequate sanitation facilities, and menstrual health education.

Promoting Menstrual Hygiene: The awareness talk emphasized the significance of promoting menstrual hygiene practices to mitigate the adverse effects of menstrual poverty. Topics such as proper menstrual hygiene management, use of sanitary products, and menstrual health education were addressed to empower participants with essential knowledge and skills.

Breaking Stigma and Taboos: Discussions were held on breaking the stigma and taboos surrounding menstruation. Participants engaged in open dialogues to challenge misconceptions and cultural barriers related to menstruation, fostering a supportive environment for menstrual health awareness and advocacy.

Community Outreach: The event concluded with a call to action for community outreach initiatives aimed at addressing menstrual poverty. Participants were encouraged to spread awareness, provide support to marginalized women and girls, and advocate for policy changes to improve menstrual health and hygiene outcomes.

The awareness talks on menstrual poverty served as a platform for meaningful discussions and knowledge sharing among participants. It underscored the importance of concerted efforts to combat menstrual poverty and promote menstrual health and hygiene rights for all women and girls. The NSS Units of Andhra Mahila Saba Arts and Science College for Women remain committed to advancing this cause and empowering communities through education and advocacy.

Interactive Sessions on Prevalent Social Issues: Poverty

Date: October 31, 2020

Venue: O.U. Conference Hall

Organized by: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Objective: The Interactive Sessions on Prevalent Social Issues, focusing on poverty, aimed to raise awareness among NSS participants about the multifaceted aspects of poverty, its impact on society, and potential strategies for alleviation.

Participants: A total of 50 NSS participants from Andhra Mahila Sabha Arts and Science College for Women actively took part in the sessions.

Agenda:

Introduction to Poverty: The session began with an introduction to the concept of poverty, encompassing its various dimensions such as income deprivation, lack of access to basic necessities, and social exclusion.

Understanding the Causes and Effects of Poverty: Through interactive discussions and presentations, the participants delved into the root causes of poverty, including economic, social, and political factors. They also explored the wide-ranging effects of poverty on individuals, families, and communities.

Case Studies and Real-Life Stories: Case studies and real-life stories were shared to provide insights into the lived experiences of individuals grappling with poverty. These narratives helped contextualize the discussion and fostered empathy among the participants.

Role of Government and NGOs: The session highlighted the role of government policies and programs, as well as the contributions of non-governmental organizations (NGOs), in addressing poverty and promoting socio-economic development. Participants discussed the effectiveness of existing interventions and potential areas for improvement.

Community Engagement and Empowerment: Emphasis was placed on the importance of community engagement and empowerment in combating poverty. Participants brainstormed ideas for community-based initiatives and volunteer projects aimed at supporting marginalized individuals and families.

Interactive Activities and Group Discussions: Throughout the sessions, interactive activities, group discussions, and Q&A sessions were conducted to encourage active participation and exchange of ideas among the participants.

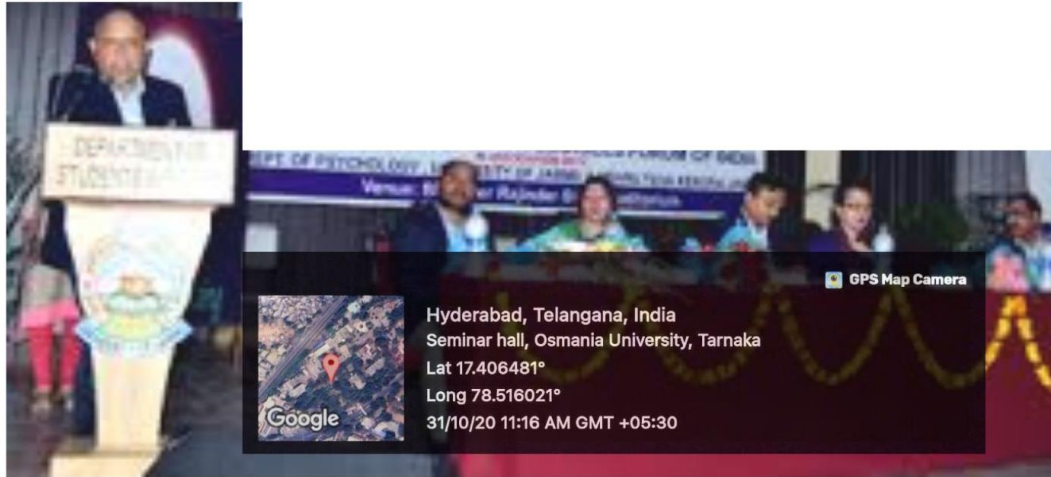

Conclusion: The Interactive Sessions on Prevalent Social Issues, with a focus on poverty, served as a platform for meaningful dialogue, reflection, and collective learning. By equipping participants with knowledge and insights, the sessions aimed to empower them to become catalysts for positive change in their communities.

We extend our gratitude to all participants, facilitators, and organizers for their active involvement and commitment to addressing pressing social issues.

Participation in Packing Food and Groceries for Needy Flood-Affected Areas of Chadhargat

Date: October 20, 2020

Location: Andhra Mahila Sabha Arts and Science College for Women

On October 20, 2020, the NSS (National Service Scheme) units of Andhra Mahila Sabha Arts and Science College for Women organized a humanitarian initiative to provide aid to the flood-affected areas of Chadhargat. The primary objective was to pack and distribute food and groceries to the needy families affected by the floods. Objective: The main goal of the activity was to extend a helping hand to the flood-affected communities in Chadhargat by providing essential supplies such as food and groceries. The initiative aimed to alleviate the suffering of the affected families and contribute to their recovery efforts.

Participants: Three NSS volunteers from Andhra Mahila Sabha Arts and Science College for Women actively participated in the packing of food and groceries for the needy flood-affected areas of Chadhargat. The volunteers demonstrated enthusiasm and dedication throughout the activity.

Activities:

- Procurement of Supplies: The NSS units coordinated with local suppliers to procure food items and groceries required for packing. Essential items such as rice, pulses, cooking oil, sugar, salt, and other non-perishable goods were purchased.
- Packing Process: The volunteers assembled at the designated location and initiated the packing process. They sorted the donated items, organized them into individual packets, and carefully packed them into bags for distribution.
- Quality Check: Prior to packing, the volunteers conducted a thorough quality check of the donated items to ensure that only fresh and suitable products were included. Any damaged or expired items were removed from the selection.
- Labeling and Sealing: Once the packing was completed, the bags were labeled with information regarding the contents and expiration dates, if applicable. The bags were then securely sealed to prevent any tampering or contamination during transportation.
- Distribution Plan: A distribution plan was devised to ensure efficient and equitable distribution of the packed food and groceries to the flood-affected areas of Chadhargat. Priority was given to the most vulnerable families in need of immediate assistance.

“ Participation in Blood Donation Drive”

Date: October 1, 2020

Event: Blood Donation Drive at Osmania University Auditorium

Organized by: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Number of Participants: 28

On October 1, 2020, the NSS units of Andhra Mahila Sabha Arts and Science College for Women organized a Blood Donation Drive at the Osmania University Auditorium. The event aimed to contribute to the noble cause of blood donation, raise awareness about the importance of voluntary blood donation, and encourage students to actively participate in community service activities.

Event Details:

The Blood Donation Drive commenced at 9:00 AM and continued until 4:00 PM, providing ample time for volunteers to donate blood. The Osmania University Auditorium was selected as the venue for its central location within the university campus and its suitability for accommodating the donation process efficiently.

Participants:

A total of 28 volunteers from various NSS units of Andhra Mahila Sabha Arts and Science College for Women actively participated in the Blood Donation Drive. These volunteers included students, faculty members, and staff who enthusiastically contributed to the cause.

Process:

Upon arrival at the auditorium, participants were welcomed by the NSS coordinators and briefed about the significance of blood donation. Medical professionals were stationed at the venue to conduct preliminary health checks and ensure the eligibility of donors. Following the screening process, willing participants proceeded to the donation area, where trained medical staff collected blood units using sterile equipment and procedures.

Safety Measures:

In light of the ongoing COVID-19 pandemic, strict safety protocols were implemented to ensure the well-being of participants and staff. Measures such as temperature checks, hand sanitization stations, mandatory wearing of masks, and maintaining physical distancing were observed throughout the event.

The Blood Donation Drive organized by the NSS units of Andhra Mahila Sabha Arts and Science College for Women at the Osmania University Auditorium was a resounding success. The enthusiastic participation of 28 volunteers exemplified their commitment to serving the community and making a positive impact through altruistic acts. The event not only facilitated the collection of essential blood units but also fostered a sense of social responsibility among the participants.

We extend our heartfelt gratitude to all participants, organizers, medical staff, and university authorities for their valuable support and cooperation in making this initiative a success.

NSS Units Participation in NSS Exhibition

Venue: Landscape Garden, Osmania University

Organized by: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Date of Exhibition: 10th and 11th September 2020

The NSS Units of Andhra Mahila Sabha Arts and Science College for Women actively participated in the NSS Exhibition commemorating the 21st Anniversary of Foundation. The event took place at the picturesque Landscape Garden within the premises of Osmania University. The exhibition aimed to showcase the significant contributions and achievements of NSS over the past two decades, while also promoting community engagement and social awareness.

Participation:

A total of 15 participants from the NSS Units of Andhra Mahila Sabha Arts and Science College for Women enthusiastically took part in the exhibition. These participants represented various aspects of NSS activities, including community service projects, awareness campaigns, skill development initiatives, and environmental conservation efforts.

Exhibition Highlights:

1. **Display Stalls:** The NSS Units set up informative display stalls showcasing the diverse range of projects and initiatives undertaken by the organization. Each stall was meticulously arranged to highlight specific themes such as health and hygiene, education, rural development, and environmental sustainability.
2. **Interactive Sessions:** Participants engaged visitors through interactive sessions, discussions, and demonstrations related to NSS activities. These sessions provided an opportunity for attendees to learn about the impact of NSS initiatives and how they could contribute to social causes.
3. **Awareness Campaigns:** Several awareness campaigns were conducted during the exhibition, focusing on topics such as HIV/AIDS prevention, literacy promotion, women empowerment, and environmental conservation. Informational pamphlets, posters, and multimedia presentations were used to disseminate key messages effectively.
4. **Skill Demonstrations:** NSS participants demonstrated various skills acquired through training programs, including first aid techniques, disaster management procedures, and vocational skills development. These demonstrations aimed to empower individuals with practical knowledge and skills to respond to emergencies and contribute to community development.

Webinar on Suicide Prevention

Date: September 9, 2020

Organized by: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Venue: DDMS Hospital, Nallakunta

Number of Participants: 17

On September 9, 2020, a webinar on Suicide Prevention was organized by the NSS Units of Andhra Mahila Sabha Arts and Science College for Women in collaboration with DDMS Hospital, Nallakunta. The event aimed to raise awareness about suicide prevention strategies and provide valuable insights into addressing mental health challenges.

Event Details: The webinar commenced at [insert time] and lasted for [insert duration]. The event featured distinguished speakers and experts in the field of mental health and suicide prevention. The topics covered included understanding the warning signs of suicide, coping strategies for individuals experiencing distress, and the role of community support in preventing suicide.

Participants: A total of 17 NSS volunteers from Andhra Mahila Sabha Arts and Science College for Women actively participated in the webinar. The participants demonstrated enthusiasm and engagement throughout the event, actively contributing to discussions and posing relevant questions to the speakers.

Key Takeaways:

- **Understanding Warning Signs:** Participants gained insights into recognizing the warning signs of suicidal ideation and learned how to respond effectively to individuals in crisis.
- **Coping Strategies:** Strategies for coping with stress, anxiety, and depression were discussed, emphasizing the importance of self-care and seeking professional help when needed.
- **Community Support:** The role of community support networks, including NSS units, in promoting mental health awareness and providing emotional support to individuals facing mental health challenges was emphasized.

Feedback: The participants expressed appreciation for the informative and insightful sessions conducted during the webinar. They highlighted the relevance of the topics discussed and expressed a desire for more such educational initiatives in the future.

The webinar on Suicide Prevention organized by the NSS Units of Andhra Mahila Sabha Arts and Science College for Women proved to be a valuable platform for raising awareness about mental health issues and suicide prevention strategies. The event provided participants with practical knowledge and resources to support individuals in distress and foster a culture of mental well-being within the community.

We extend our gratitude to DDMS Hospital, Nallakunta, and all the speakers for their valuable contributions to the success of the webinar.

Report on NSS Units' Participation in Book Donation Drive at Anganwadi School, Nacharam

Date of the Event: September 8, 2020

Organizer: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Number of Participants: 10

On September 8, 2020, the NSS Units of Andhra Mahila Sabha Arts and Science College for Women organized a book donation drive at the Anganwadi School located in Nacharam. The event aimed to promote education and literacy among underprivileged children by providing them with access to books and learning resources.

Activities Undertaken:

The NSS volunteers actively participated in the book donation drive by collecting books from various sources, including students, faculty, and community members. These books encompassed a wide range of subjects and reading levels to cater to the diverse interests and educational needs of the children.

On the day of the event, the NSS volunteers visited the Anganwadi School in Nacharam to distribute the donated books to the eager and enthusiastic students. The distribution process was organized systematically to ensure that each child received books suitable for their age and academic level.

[Impact and Benefits:

The book donation drive had a significant impact on the Anganwadi School students, providing them with access to valuable educational resources that enhance their learning experience. By receiving books, the children were empowered to explore new ideas, expand their knowledge, and develop a love for reading and learning.

Report on NSS Units' Participation in the Role of Higher Education in Rural Transformation Conference

Date of the Event, e.g., September 5, 2020

Organizer: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Number of Participants: 33

On September 5, 2020, the NSS Units of Andhra Mahila Sabha Arts and Science College for Women actively participated in the conference titled "The Role of Higher Education in Rural Transformation." The conference aimed to explore the various ways in which higher education institutions can contribute to the socio-economic development and empowerment of rural communities.

Activities Undertaken:

The NSS volunteers played a crucial role in organizing and facilitating the conference activities. They assisted in setting up the conference hall, managing registrations, coordinating logistics, and ensuring the smooth conduct of the event. Additionally, NSS volunteers actively participated in panel discussions, workshops, and presentations related to rural transformation and higher education.

The conference provided a platform for fruitful discussions and exchange of ideas among academics, policymakers, practitioners, and community representatives. Key topics addressed during the conference included the importance of community engagement, skill development, entrepreneurship, and technology adoption in driving rural transformation through higher education initiatives. Participants shared valuable insights, best practices, and success stories from their respective fields, contributing to a deeper understanding of the role of higher education in rural development.

Impact and Benefits:

The conference had a significant impact on the participants, including NSS volunteers, by enhancing their knowledge, awareness, and understanding of the challenges and opportunities in rural development. Through active participation and engagement in conference activities, NSS volunteers gained valuable insights into their role as catalysts for positive change in rural communities. The event also fostered networking and collaboration opportunities among stakeholders, paving the way for future partnerships and initiatives aimed at rural transformation.

Report on NSS Units' Participation in Webinar on GIST Contribution to India Development - UNNAT BHARAT ABHIYAN (Online)

Date: Date of the Webinar, e.g., July 11, 2020

Organizer: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Number of Participants: 50

On July 11, 2020, the NSS Units of Andhra Mahila Sabha Arts and Science College for Women organized a webinar titled "GIST Contribution to India Development - UNNAT BHARAT ABHIYAN." The webinar aimed to enlighten participants about the significant role of grassroots innovation and technology in contributing to India's development through the UNNAT BHARAT ABHIYAN initiative.

Activities Undertaken:

The webinar featured presentations and discussions led by experts in the field of innovation, technology, and rural development. Topics covered included the importance of grassroots innovation, sustainable development practices, and the role of UNNAT BHARAT ABHIYAN in fostering innovation-led development in rural India.

Participant Engagement:

The NSS Units facilitated the participation of 47 enthusiastic students who actively engaged with the webinar content through live discussions, Q&A sessions, and interactive polls. Participants shared their insights, raised thought-provoking questions, and expressed their commitment to contributing to India's development through innovative initiatives.

The webinar provided participants with valuable insights into the potential of grassroots innovation and technology to address socio-economic challenges and promote inclusive development in rural areas. Key takeaways included the need for collaborative efforts between academia, industry, and local communities to harness innovation for sustainable development.

Impact and Benefits:

The webinar had a profound impact on the participants, inspiring them to actively engage in initiatives that promote innovation, entrepreneurship, and community development. By gaining a deeper understanding of the UNNAT BHARAT ABHIYAN initiative and its objectives, participants were motivated to explore opportunities for contributing to rural development projects.

Report on NSS Units' Participation in Awareness on Blood Donation at DDMS Hospital, Nallakunta

Date of the Event, e.g., June 13, 2020

Organizer: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Number of Participants: 19

On June 13, 2020, the NSS Units of Andhra Mahila Sabha Arts and Science College for Women organized an awareness program on blood donation at DDMS Hospital, Nallakunta. The event aimed to educate and encourage individuals to contribute to the noble cause of blood donation, emphasizing its significance in saving lives.

Activities Undertaken:

The NSS volunteers actively participated in various activities to raise awareness about blood donation among visitors and staff at DDMS Hospital. These activities included: Distribution of informational pamphlets and brochures highlighting the importance of blood donation, eligibility criteria, and the donation process.

Interactive sessions and discussions led by NSS volunteers to address common misconceptions and concerns about blood donation.

Screening of educational videos and presentations to illustrate the impact of blood donation on patients in need of transfusions.

One-on-one interactions with hospital visitors to provide personalized information and address their queries regarding blood donation.

Demonstration:

As part of the awareness program, NSS volunteers organized a demonstration showcasing the blood donation process. This demonstration involved explaining the steps involved in blood donation, including registration, medical screening, donation, and post-donation care. Volunteers also demonstrated proper techniques for venipuncture and blood collection to alleviate any apprehensions among potential donors.

The awareness program on blood donation organized by the NSS Units had a significant impact on the participants, fostering a greater understanding of the importance of blood donation in saving lives. Through informative sessions and interactive engagements, participants gained insight into the blood donation process and felt motivated to contribute to this humanitarian cause. The event also helped dispel myths and misconceptions surrounding blood donation, thereby encouraging more individuals to become regular blood donors.

Report on NSS Units' Participation in Awareness Webinar on Environmental Conservation

Date of the Event, e.g., June 5, 2020

Organizer: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Number of Participants: 29

On June 5, 2020, in commemoration of World Environment Day, the NSS Units of Andhra Mahila Sabha Arts and Science College for Women organized an awareness webinar on environmental conservation. The webinar aimed to educate participants about the importance of environmental protection and sustainable practices to address pressing environmental issues.

Activities Undertaken:

The webinar commenced with an introductory session highlighting the significance of World Environment Day and the role of individuals and communities in preserving the environment. Expert speakers were invited to deliver insightful presentations on various topics related to environmental conservation, including biodiversity conservation, waste management, renewable energy, and climate change mitigation.

Interactive Session:

Throughout the webinar, interactive sessions were conducted to engage participants actively. Attendees had the opportunity to ask questions, share their thoughts and experiences, and participate in discussions on environmental challenges and solutions. These interactive exchanges facilitated knowledge sharing and inspired participants to take action for environmental sustainability.

The webinar provided participants with valuable insights into the importance of environmental conservation and the urgency of addressing environmental issues. Key takeaways included strategies for reducing carbon footprint, promoting eco-friendly practices in daily life, advocating for policy changes, and fostering community involvement in environmental initiatives.

The awareness webinar on environmental conservation had a significant impact on the participants, empowering them with knowledge and awareness to become environmental stewards in their communities. Attendees gained a deeper understanding of environmental issues and solutions, motivating them to adopt sustainable behaviors and contribute to positive environmental change.

Report on NSS Units' Participation in Workshop for Making NSS Volunteers Champions of Change for Protection of Children Against Sexual Offence Act - The Rakshin Project

Date: Date of the Event, e.g., March 11, 2020

Organizer: NSS Units of Andhra Mahila Sabha Arts and Science College for Women

Number of Participants: 54

On March 11, 2020, the NSS Units of Andhra Mahila Sabha Arts and Science College for Women organized a workshop titled "The Rakshin Project" with the aim of empowering NSS volunteers to become champions of change in the protection of children against sexual offenses. The workshop sought to raise awareness about the Protection of Children from Sexual Offences (POCSO) Act and equip volunteers with the knowledge and skills needed to safeguard children from sexual exploitation.

Activities Undertaken:

The workshop featured interactive sessions, presentations, and group discussions focused on various aspects of the POCSO Act, including its provisions, legal framework, reporting mechanisms, and support services available for victims. Participants engaged in role-playing exercises, case studies, and scenario analysis to deepen their understanding of the issues and develop practical strategies for prevention and intervention.

Throughout the workshop, participants gained valuable insights into the complexities surrounding child sexual abuse and the critical role of NSS volunteers in addressing these challenges. They learned about the importance of creating safe spaces for children, recognizing signs of abuse, and effectively responding to disclosures of abuse with empathy and sensitivity.

Impact and Benefits:

The workshop had a profound impact on the participants, empowering them with the knowledge, skills, and confidence to become proactive advocates for child protection within their communities. By equipping NSS volunteers with the tools and resources needed to identify and address instances of child sexual abuse, the workshop contributed to building a safer and more supportive environment for children.
