

Report on Certification Program in Collaboration with TNS India Foundation.

The Placement Cell of Andhra Mahila Sabha Arts and Science College for Women successfully organized a 200 hours training program in collaboration with TNS India foundation 03-03-2025 to 28-05-2025 aimed at equipping students with essential skills for employability and career development.

A total of 33 students from various departments participated in the program, which was conducted on the college campus. The training covered key areas such as communication skills, interview techniques, digital literacy, resume building, professional etiquette, and overall workplace readiness. Sessions were delivered by professional trainers from TNS India Foundation through interactive workshops and practical activities.

The program provided a platform for students to gain real-world knowledge, boost their Self - confidence, and prepare for job opportunities in various sectors. Regular assessments, group discussions, and mock interviews were held to track student progress and provide constructive feedback.

At the end of the program, all 33 participants were awarded certificates of completion, on 18-06-2025 recognizing their active participation and successful completion of the training. The students expressed their gratitude for the valuable learning experience and shared positive feedback about the training content and delivery.

The college extends its sincere thanks to TNS India foundation for their collaboration and commends the Placement Cell for its initiative in organizing this impactful program that supports the holistic growth and career preparedness of its students.
