

World Environment Day

Report

In connection with World Environment Day, the Eco Club, Department of Botany organized a Clean and Green Programme on 5th June 2025. The event aimed to raise awareness about environmental protection and encourage sustainable practices among students and staff. Campus cleaning activity carried out by students and faculty members.

The programme witnessed the participation of teaching and non-teaching staff, along with students. The event commenced with a brief introduction by Prof. A. Pramila, highlighting the importance of environmental conservation and the objectives of the day's activities. Principal, Prof. K.Karuna Devi speaking on the occasion addressed the gathering to save mother earth and follow conservation practices. She also emphasized the collective responsibility of safeguarding our environment.

Following this, the Annual Eco Club Newsletter “Ankura” for the academic year 2024-25 was officially released by the Principal. As part of the celebrations, certificates were distributed to the winners of 1st, 2nd, and 3rd prizes for the photography competition that has been conducted in connection with International Biodiversity Day.
