

International Plastic Bag Free Day date on 3rd July 2025

In connection with the International Plastic Bag Free Day, the Eco Club Department of Botany organized an awareness program to reduce the use of plastic. Dr.K.Karuna Devi Principal, Dr.Y.Vasundhara Vice Principal ,Dr.A.Pramila Eco Club Convenor, Ms.M.Sravani Reddy ,Faculty members and Students participated in the event.

As part of the initiative students visited various classrooms and delivered short speech highlighting the harmful effects of plastic bags on the environment and the importance of adapting eco-friendly alternatives.

The event aimed to create awareness among the student community about reducing plastic usage and advised students to collect the plastic from households for recycling which will be sent to ITC Earthbox for promoting sustainable Environment
