

ANDHRA MAHILA SABHA
ARTS & SCIENCE COLLEGE FOR WOMEN
(Autonomous) , NAAC – Reaccredited (Affiliated to O.U)
O.U Campus ,Hyderabad .

An orientation session on UPSC exam was conducted on 9th July 2025 at M.V. Hall, from 3:00 PM to 4:15 PM.

A total of 55 students from various academic streams enthusiastically participated in the session.

The session primarily focused on creating awareness about the structure and stages of the UPSC Civil Services Examination, including a detailed overview of the Prelims, Mains, and Interview stages. Special emphasis was placed on the Economy section—its syllabus structure relevance across GS papers and its interdisciplinary linkage with other subjects.

The importance of thoroughly understanding the syllabus and analysing previous years' question papers (PYQs) was highlighted. As a follow-up, students were given homework to read the UPSC Economy syllabus and analyse relevant PYQs, to build a strong foundation in the subject.

The session was well-received and marked an encouraging start to the UPSC preparation journey for the students.
