Report on Study Abroad Fair 2025 Orientation Session

The Placement cell of Andhra Mahila Sabha Arts and Science College organized an informative session on the Study Abroad Fair 2025, conducted by Mr. Irphan from the Human Capital Development Centre in collaboration with Education Matters, the official counselling partner for the **ANDHRA MAHILA SABHA**

The session aimed to create awareness among students about global higher education opportunities and the upcoming Study Abroad Fair 2025, scheduled for 12th November 2025, from 9:00 a.m. to 4:00 p.m.

During the session, Mr. Irphan highlighted the various aspects of studying abroad, including:

- 1.Admission procedures and eligibility criteria for universities in USA, UK, Canada, Ireland, Australia, France, and UAE.
- 2.Available scholarships and education loan options.
- 3.Post-study work opportunities and benefits for international students.
- 4.Application fee waivers and state government-sponsored scholarships for students pursuing higher education abroad.

Students were also informed about a Travel Grant valued at ₹50,000, which can be availed through participation in the fair. The resource person guided students on how to register through the official website (www.edmat.org/event/361) and encouraged those graduating in 2026 and 2027 to attend the fair to explore international academic and career opportunities.

The session was highly engaging and beneficial, providing valuable insights into overseas education pathways and financial assistance options.

The program was coordinated by Placement Cell Coordinator Radhika and members A. Manasa, Nikitha, and Y. Manasa.
