

# **Vanamahotsavam**

## **Report**

The Department of Botany, in collaboration with the Environmental Protection Training and Research Institute (EPTRI), organized *Vanamahotsavam* on 17th July 2025. The program began with a tree plantation drive in the college premises, symbolizing the commitment towards a greener environment.

Dr. M. Suneela, Scientist, EPTRI, graced the occasion as the chief guest and actively participated in the plantation. She has provided plant saplings for this occasion including *Dracaena*, *Song of India* and *Bixa orellina*. Following the plantation, the Principal Prof. K. Karuna Devi, and Vice Principal, Prof.Y. Vasundhara, addressed the gathering and highlighted the importance of environmental conservation and the role of youth in protecting nature. Dr. M. Suneela delivered an insightful speech, emphasizing the need for sustainable development and collective responsibility in combating environmental challenges.

The program concluded on a positive note, with renewed motivation among students and faculty to continue such green initiatives.

Prof.A.Pramila  
HOD, Department of Botany
