Students of **Andhra Mahila Sabha Arts and Science College for Women** attended the “**SRADDHA – Youth Convention for Girls**”, organized by **Ramakrishna Math** as part of the **Viveka Suryodaya Saptaham** celebrations held in Hyderabad from February 10 to 17, 2026. The programme commemorated the 133rd anniversary of the historic visit of Swami Vivekananda to Hyderabad.

The convention aimed at empowering young girls and was centered on the theme “**Strength, Fearlessness, and Excellence.**” The session commenced with an inspiring introduction to the life and teachings of Swami Vivekananda, highlighting his ideals of courage, character, discipline, and leadership. The speakers emphasized the continued relevance of his message in shaping today’s youth.

Throughout the programme, students actively participated in motivational talks, interactive sessions, and value-based discussions. The resource persons encouraged participants to develop self-confidence, cultivate leadership qualities, and face life’s challenges with determination and fearlessness. The importance of positive thinking, discipline, and service to society was strongly emphasized, leaving a lasting impact on the attendees.

A notable aspect of the convention was the spirit of unity and encouragement among students from various institutions. The interactive activities promoted teamwork, mutual respect, and the pursuit of excellence in both academic and personal life.

At the conclusion of the programme, participants were awarded certificates and presented with a book on the teachings of Swami Vivekananda. Lunch was also provided to all attendees. The book serves as a valuable guide for applying his principles in daily life.

Overall, the Youth Convention was an enriching and inspiring experience. It motivated students to become more confident, responsible, and socially committed individuals. We feel grateful for the opportunity to participate in such a meaningful and transformative programme.
