

ANDHRA MAHILA SABHA ARTS & SCIENCE COLLEGE FOR WOMEN

Autonomous - NAAC Re-Accredited, OU.Campus, Hyderabad – 500 007

The Department of BBA Healthcare Management of Andhra Mahila Sabha Arts & Science College for Women organized an Industry Conclave with the objective to provide practical exposure, enhance industry knowledge, and bridge the gap between academic learning and real-world healthcare practices.

Program Details

Program: Industry Conclave

Organized By: Department of BBA Healthcare Management

Venue: AMS College, OU Campus (M V Hall)

Date: 28th March 2026

Time: 10:00 AM

Participation

The event witnessed enthusiastic participation from students of Healthcare Management. A total of 50 students attended the conclave, representing various institutions, including MVS Government Arts and Science College (Autonomous), Mahabubnagar ; Girraj Government College (Autonomous), Nizamabad; RD Women's Degree and PG College; and Government Degree College for Women, Gajwel. CRISP members and faculty were also actively involved in the sessions. Participants engaged dynamically throughout the conclave, making it an interactive and enriching knowledge-sharing experience.

Event Highlights

- Warm welcome to all dignitaries and participants
- Address by the Chief Guest, Prof. Subodh Kandamuthan
- Insightful session by the Guest of Honour, Dr. B. V. Krishna Rao
- Guidance session by the prof. Bharath
- Discussion on current trends and challenges in the healthcare industry
- Interactive session between students and industry experts
- Guidance on career opportunities and skill development in healthcare management

Learning Outcomes

- Enhanced understanding of real-world healthcare industry practices
- Awareness of career opportunities in hospital and healthcare management
- Improved knowledge about industry expectations and required skills
- Increased confidence and motivation among students
- Exposure to practical challenges and solutions in healthcare administration

Methodology

The Industry Conclave was conducted in a well-planned and systematic manner to ensure smooth execution. Prior intimation was given to students and participants regarding the schedule and venue of the event. On the day of the program, participants were welcomed and guided to the venue. The session began with an introduction to the objectives of the conclave, followed by expert talks delivered by the Chief Guest and Guest of Honour. The speakers shared their professional experiences and insights into the healthcare sector. An interactive session was conducted to encourage student participation and clarify their queries. The program was coordinated efficiently to maintain discipline and engagement throughout the event.

Conclusion

The Industry Conclave was successfully conducted at AMS College and proved to be highly beneficial for students. The event provided a valuable platform for learning, interaction, and professional development. It helped students gain industry-oriented knowledge, understand real-world challenges, and prepare themselves for future careers in healthcare management. The initiative taken by the Department of Healthcare Management was commendable in enhancing students' skills and confidence.
