Report on MoU and Internship Activities with Voice 4 Girls

Introduction:

The Department has entered into a collaborative engagement (MoU) with Voice 4 Girls, a reputed non-governmental organization dedicated to empowering marginalized adolescents through life skills education, gender awareness, and community-based programs. The organization conducts activity-based camps and internships that promote leadership, communication, and social responsibility among students.

The MoU aims to:

- Provide students with experiential learning opportunities
- Enhance social awareness and community engagement
- Develop leadership, communication, and life skills
- Encourage participation in gender equity and empowerment initiatives
- Internship and Project Participation

Project REWA

Ms. Amanthika Thomas of II B.A. (EPSY) successfully completed a project titled REWA in collaboration with Voice 4 Girls from September to December 2025. Her active involvement demonstrated commendable commitment towards social engagement and experiential learning.

Sakhi Camp Participation

Ms. D. Udayasri and Ms. Shiva Spandana of II B.A. (EPP) actively participated in the Voice 4 Girls – Sakhi Camp conducted from 30th November to 18th December 2025. The program provided valuable exposure to community-based initiatives and grassroots-level engagement. Voice 4 Girls Camp Internship

10:40

Ms. Sudharani of BBA I Year attended the Voice 4 Girls Camp held at MJPT BCW Residential School and Junior College from 15th December 2025 to 8th January 2026. The internship enhanced her experiential learning and practical understanding of social development programs.

Nature of Internship

The internship involved:

- Conducting activity-based sessions for school students
- Promoting awareness on health, safety, and life skills
- Participating in community outreach programs
- Developing communication and leadership abilities

These internships are designed to enable students to act as mentors and facilitators, contributing to the overall mission of empowering adolescents.

Loyola Academy

Outcomes and Benefits

- Improved communication and interpersonal skills
- Increased awareness of social issues and gender equality
- Exposure to rural and community-based environments
- Development of leadership and teamwork abilities
- Strengthened institutional collaboration with NGOs

Conclusion

The MoU with Voice 4 Girls has proven to be highly beneficial in bridging academic learning with real-world social experience. Student participation in internships and projects has significantly contributed to their holistic development and social responsibility. The department looks forward to continuing and strengthening this collaboration in the future.
