Report on Women Cell Activity

Date: 16 September 2025

Venue: Andhra Mahila Sabha Arts & Science College.

The Women Cell of Andhra Mahila Sabha Arts & Science College organized an awareness programme with the objective of promoting women's empowerment and enhancing awareness regarding women's rights and safety. The programme was conducted in a well-organized manner and witnessed enthusiastic participation from students and faculty members.

The primary objective of the programme was to sensitize students to issues concerning gender equality, personal safety, and the social responsibilities of women. Eminent resource persons were invited to address the gathering. In their speeches, they highlighted the importance of self-confidence, awareness of legal rights, and the need to challenge discrimination and injustice faced by women in society.

The session included detailed discussions on various challenges encountered by women, such as harassment, inequality, and social constraints. The speakers emphasized the significance of legal literacy and encouraged students to assert their rights fearlessly. They also provided valuable insights into self-defence techniques and informed the participants about the support systems and helplines available for women.

The programme was graced by the presence of the Principal, faculty members, and the IQAC coordinators, whose guidance and support contributed to the smooth execution of the event. They reiterated the institution's commitment to ensuring a safe, inclusive, and supportive environment for all students.

The interactive nature of the programme enabled students to actively participate by raising queries and sharing their perspectives. The programme proved to be highly informative, inspiring, and beneficial in fostering awareness and confidence among the participants.

Conclusion:

The Women Cell programme successfully achieved its objectives by creating awareness, promoting empowerment, and encouraging students to become responsible and confident individuals in society.
