

Report on National Reading Day – 2026

Date: 19 June 2026

Occation: Report on National Reading Day

Venue: Andhra Mahila Sabha Arts and Science College for Women (AMS ASCW)

The National Reading Day – 2026 was celebrated with great enthusiasm on 19 June 2026 at the Seminar Hall of Andhra Mahila Sabha Arts and Science College for Women (AMS ASCW). The programme was organized to create awareness among students about the importance of reading, promote library usage, and encourage the effective use of both physical and digital library resources for academic and personal development.

The programme commenced with a brief introduction to the significance of National Reading Day, which is observed in memory of **P. N. Panicker**, the Father of the Library Movement in India. His remarkable contributions to promoting literacy and cultivating a reading culture across the country were highlighted during the event.

As part of the programme, **Ms. M.Sruthi** presented a reading session on **P. N. Panicker**, explaining his life, vision, and the importance of celebrating National Reading Day. Her presentation emphasized how reading enriches knowledge, develops critical thinking, and contributes to lifelong learning.

The College Librarian, **Mrs. P. Vijaya Laxmi**, addressed the gathering and shared valuable insights into the life and achievements of P. N. Panicker. She encouraged students to develop a regular reading habit and make effective use of the library's physical and digital resources to enhance their academic excellence and personal growth.

Mrs. M. Veeramani, Associate Librarian, also addressed the students. In her speech, she emphasized the importance of reading as a lifelong habit, highlighted the vital role of libraries in higher education, and motivated students to make reading a part of their daily lives.

A total of **28 students** attended the programme and actively participated in the reading session and interaction. The event concluded with an interactive discussion, during which students shared their views on the value of reading and libraries. The programme successfully inspired the participants to cultivate a regular reading habit and reaffirmed the library's role as a vital centre for knowledge, learning, and intellectual development.
