FIELD VISIT TO DBS TECH COMPANY 16th September, 2026

We are truly grateful to United Way of Hyderabad (UWH) for arranging and supporting this valuable industrial exposure. UWH arranged bus transportation to and from DBS Tech and provided lunch for all the students and faculty members, including vegetable pizza, sandwiches, and fruit juice. Their thoughtful arrangements made the trip comfortable, enjoyable, and memorable.

Vote of Thanks

The programme concluded with a Vote of Thanks delivered by Dr. G. Hima Bindu, Head, Department of Economics, and Ms. Sowmya, Associate Director, United Way of Hyderabad.

Dr. G. Hima Bindu expressed her heartfelt gratitude to the DBS Tech team for providing the students with this valuable industry exposure, informative sessions, workplace experience, warm hospitality, refreshments, and thoughtful gifts. She also appreciated the support extended by UWH in making the visit possible.

Ms. Sowmya, Associate Director, UWH, also expressed her sincere gratitude to the DBS Tech team for welcoming the students and providing them with such a valuable learning experience. She appreciated the team's efforts in conducting the informative sessions and giving the students an opportunity to experience the corporate work environment.

Both speakers acknowledged the active participation and cooperation of the students and faculty members and thanked everyone who contributed to making the visit successful and memorable.

Conclusion

The Industry Exposure Visit to DBS Tech was a meaningful and enriching experience for all 40 students. It enhanced their understanding of banking and trading, professional skills, corporate culture, and Artificial Intelligence while providing valuable practical exposure beyond the classroom.

The Department of Economics sincerely thanks the DBS Tech team and United Way of Hyderabad for their valuable support and for making this learning experience memorable for the students.
